August 30-31, 2018
Toronto, Canada

Dermatology 2018

Dear Attendees,

We are glad to announce the **15th International Conference on Clinical and Experimental Dermatology** to be held in **Toronto, Canada** from **August 30-31, 2018** organized by **Conference Series LLC, USA** in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is an unique international platform that's a confluence of all dermatology Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Clinical and Medical dermatology, Dermatopathology, Skin Care, Emerging and future therapies, Skin Cancer, Photoprotection, Psoriasis, Skin infections and various skin conditions and will be available to discuss with you the latest issues and trends in Overcoming Milestones towards Clinical & Experimental Dermatology **"Skin-in-depth: Research & Care"**.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Dermatology Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

Sincerely,
Dermatology 2018
Organizing Committee

About Toronto

August 30-31, 2018
Toronto, Canada

Dermatology 2018

Toronto is Canada's largest city, the fourth largest in North America, and home to a diverse population of about 2.8 million people. It's a global centre for business, finance, arts and culture and is consistently ranked one of the world's most livable cities.

Toronto is one of the world's most cosmopolitan and multicultural cities, flourishing on the northwestern shores of Lake Ontario is known for the diverse choice of food, arts, festivals and weather patterns. Smaller suburbs surrounding the city provide options for people who prefer to take time out from big city life. From pristine coastlines to rugged mountains and sparkling lakes, Canada's geography inspires awe coast to coast. Being the fourth largest city in North America, it is most populous metropolitan of Canada, habiting about 26% of the Canadian population. English is spoken by majority of Torontonians, though there are 160 languages in the city. Toronto is an international centre of business, finance, arts, and culture. Toronto is Canada's banking/financial capital and the home of its principle stock exchange, the Toronto Stock Exchange.

TTC's far-reaching and reliable network of buses and streetcars are interconnected by an extensive underground subway system. The buses are newly manufactured hybrid-electrics, introduced to reduce air pollution. Art Gallery of Ontario and Royal Ontario Museum are popular with both tourists and residents. Notable places to visit while in Toronto are Toronto Islands FREE, Distillery District, St. Lawrence Market, Harbourfront Centre, Hockey Hall of Fame and Museum, Casa Loma, CN Tower, Royal Ontario Museum and a good range of shopping markets. Canada's busiest airport, Toronto Pearson International Airport (YYZ), straddles the city's western boundary with the suburban city of Mississauga.
